

Sandesh Raj :

Aspiring Software Engineer

- ❖ Address: C/O Lalan Singh, Masterpara , Hirapur, Dhanbad , Jharkhand , Pincode - 826001
- ❖ Mobile No- 8709104838
- ❖ E-Mail : sandeshraj44901@gmail.com
- ❖ Github - <https://github.com/sandeshraj62>

Skill

- ❖ Programming JAVA,PYTHON,HTML CSS
- ❖ Database DBMS, SQL
- ❖ Technologies AWS , ML(Beginner)

Work Experience

01-2-2022 - 01-04-2022

Higradius Technologies

Internship

- ❖ Worked on a project called AI Enabled Fintech B2B Cloud Application
- ❖ Created a machine learning model to predict the delay in payment of due bill using XG Boost Algorithm
- ❖ Model predicted with an accuracy with 77.6%

30-11-2023 - 30 -04-2024

Cognizant Technology Solutions

Internship

- ❖ Worked on a project based on Agricultural Loan Approval based on various parameter
- ❖ Technologies used are JCL, VSAM,COBOL ,SQL

Project

Air Quality Detection Model

- ❖ Arduino air quality monitor which can measure surrounding air quality also shows temperature and humidity in your room .
- ❖ Technology used are : Arduino , Gas Sensor , Breadboard , Led Screen , Jumper wire, Temperature and Humidity Sensor

Certificate

- ❖ Programming in Java NPTEL
- ❖ Data Structure Coursera

Education
